# BINARY BONUS

**Earn extra 10 - 18% binary bonus from total number of active subscribers**

**Encourages fast team growth.**

## Reward Calculation Basis

**✓ 70% of \$60 = 42 PV All bonuses and other rewards will be calculated based on 42 PV.**

**Binary Bonus:** Calculated on a weekly basis, always determined on the weak side volume. Any extra binary bonus volume is carried forward to the next week. If an affiliate does not maintain an active subscription, any carried-forward binary bonus will lapse 28 days after the subscription due date.

However, upon reactivation using the same Affiliate ID, while the accumulated volume bonus will be reset (lapsed), the team count remains 100% intact.
